

Data Protection Agreement

Parties to the agreement

Cellip AB (Cellip), org-no: 556586-5614 and Customer have an agreement for telecom services provided by Cellip

The Customer is Data Controller and determines the purposes and means for the handling of personal data.

Cellip is the Data Processor and handles personal data on behalf of the Customer.

Responsibilities and instructions

The Customer is responsible for handling personal data in the service in accordance with applicable laws and regulations.

Cellip undertakes to only handle agreed personal data in accordance with instructions from the Customer and this agreement. Cellip shall undertake appropriate technical and organizational measures to protect the personal data that is handled on behalf of the Customer.

All data is confidential.

Data is processed and stored in Sweden.

Should there be an information security breach/ incident that is likely to affect the Customer or the Customer's customer, Cellip will inform the Customer immediately, but not later than 24 hours, after discovery.

This agreement applies until the Customer is a customer of Cellip, and when this agreement expires, stored personal data will be deleted.

If required by law or binding regulatory requirements, the Parties shall without undue delay renew this Agreement in such a manner that it is compliant with the legislation that caused the rewording.

This agreement has been prepared in two identical original copies, of which the parties have each taken one original copy.
